BRAANKER LOGISTICS

Worldwide Logistics

A large cable-stayed bridge spans a body of water. A white Braanker Logistics truck is driving on the bridge. The truck has 'BRAANKER LOGISTICS' and 'Qui parle ordi' written on its side, along with a logo. The bridge has a complex steel structure with many cables. In the background, there are trees and a small building. The sky is blue and clear.

Braanker Logistics, your logistics service provider.

Braanker Logistics is a modern logistics service provider with a global expertise in every type of transport modality and logistics service imaginable. We are certified in accordance with the newest standards.

Braanker Logistics operates from a modern and representative office in the strategically located Rotterdam - Alblasserdam (NL) with 25,000m² of Storage and Transshipment capacity. With 140 employees, a global network of agents and an all-round deployable vehicle fleet of approximately 170 units

Braanker Logistics is at your service for Road and Exceptional Transport, Storage, Transshipments, Air and Sea Freight. 24 hours a day, 7 days a week.

Braanker Logistics: your partner in overseas shipments.

At Braanker, you've come to the right place for all the arrangements related to the export and/or import of your goods. We distinguish ourselves from other companies operating in our field through our vast expertise in highly economical transport solutions for overseas shipments, to and from all corners of the globe.

Braanker Logistics is happy to take all the formalities related to overseas export and/or import off your hands, allowing you to focus on your core business.

Our core activities and advantages:

- We handle all aspects related to shipping your export/import consignments anywhere on the globe.
- We collect your export goods and deliver your import goods with our own vehicle fleet.
- We have expertise in all areas of forwarding (LCL, FCL, Heavy Lift, RO/RO and project loads).
- We take care of all regular customs formalities.

Braanker Logistics: your air freight expert.

Our professional staff handles all types of urgent outgoing and incoming shipments to all corners of the globe, every day of the week. We distinguish ourselves by finding the best-suited and most economical solutions for our clients, and by taking all aspects related to import and/or export off their hands. Our service does not stop when the goods consigned to our care reach their destination airport. Our network of agents across all continents will ensure that your goods will, in most cases, be collected from or delivered to their pick-up or delivery addresses.

Our core activities and advantages:

- We handle all aspects related to shipping your export/import consignments anywhere on the globe.
- Fully IATA certified and in possession of the necessary permits for the transport of dangerous goods.
- We take care of all regular customs formalities.
- We offer the best-suited and most economically favourable solutions.

Braanker Logistics: your complete warehouse partner.

One Stop Shop. Braanker Logistics offers a complete package of logistics solutions. Warehousing, road transport, air and sea freight and customs formalities.

This means that we can unburden you in all of these areas. In addition to storing and repacking your goods, we can also take care of European and worldwide pre and post transport for you, including all necessary customs formalities.

We currently have 40,000m² of storage space in Alblasterdam (NL) and Ridderkerk (NL). Our location in Alblasterdam is BREEAM Excellent certified and therefore meets one of the highest requirements in the field of sustainability.

The locations are strategically located in close proximity to the port of Rotterdam and several main motorways that provide access to the whole of Europe, and, for example, the port of Antwerp. Our location in Alblasterdam even has a direct connection to the BCTN barge terminal.
